PLASTICS
& RUBBER COMPANY

TRUCKS & BUMPERS

MUD FLAPS

Eagle Plastics & Rubber offers an extensive selection of high quality constructed mud flaps for heavy-duty trucks, trailers and commercial vehicles. We also offer products for the agricultural industry manufactured through the extrusion or molding of rubber and thermoplastic materials. Our mud flaps are available in a variety of quality materials, sizes and colors that can be easily decorated with custom logos.

URNS

RUBBER BLEND

RUBBER BLEND flaps are made from a unique hybrid of recycled rubber that provides the best combination of strength and flexibility. RUBBER BLEND flaps are well suited for hot-stamping or logo art.

DESIGN YOUR OWN MUD FLAPS

We are the leader in the custom mud flap industry. We can turn your logo, business card, letterhead and other artwork into a custom design. Custom logo artwork tooling fees apply and costs vary depending on size and number of colors.

Or use our existing tools for trucks, trailers, dozers, cement & dump bodies. There is a 50 piece minimum but no tooling fee or set up charge when using hot-stamped block lettering.

MULTIPLE COLORS AVAILABLE

BLOCK LETTER OPTIONS

2" LETTERS - 16 characters per line
3" LETTERS - 12 characters per line
4" LETTERS - 10 characters per line

- Rounded corners and 45° angle cut available
- Can mix sizes and print colors

SAFETY CHOCKS & BUMPERS

Our chocks and bumpers are made from rubber tire compounds reinforced with nylon and polyester fabric. Their resistance to abrasion, elasticity properties and impact absorption are excellent protection for vehicles and docks. Custom sizes and designs are also available for every need.

CHOCKS

WHEEL CHOCKS

PART NO.	DESCRIPTION	DIMENSIONS
APWC	Safety chock with eyebolt hardware	6" x 8" x 10"
CHUF	Safety chock with U shape metallic handle	7.7" x 9.5" x 6"
LNCF	Low profile safety chock	9.75" x 8" x 5"
WCHF	Wedge chock eyebolt hardware	7" x 9.25" x 8"
APWF	Wedge chock with rubber molded handle	7.25" x 9.75" x 8"

BUMPERS
